WOW... this house just screams opportunity and huge potential to take it into 2020 with the right updates.

Very well built, on a 556 m2 block, this quality two storey brick home is nicely tucked away in this quiet street in the sought after neighbourhood of Wishart. With a good size front yard, you can leave your cars on the driveway or park them straight into the spacious double garage with workshop and adjacent bathroom.

On the ground floor you'll be pleasantly surprised with the big area you will find: a room that can be used as a family room, as a kids play-room, etc. and another space that could be for a media room or office or.... the options are endless.

The stairs will lead you to the top floor where there is a lounge, combined with a sun-room, open kitchen/dining area and then 3 bedrooms with a bathroom and separate toilet.

Storage a problem? Not in this house as it has ample in almost every room and on both levels.

Yes... when you walk in.... you do feel like stepping back into time a bit, but.... it only needs good vision and some TLC to turn this house into your new home with some cool next decade design!

With a sizeable backyard and some other pleasantly surprising features, this house is a gem.
