Ladies and Gentleman, do we have something truly spectacular for you today. In a fantastic location and close to everything this beautiful townhouse is going to appeal to everyone, from investors, down sizers, young families and business professionals! With 2 bedrooms and within walking distance to everything you might ever need this one is not to be missed and will be sold very quickly.

Properties of this quality simply don't come on the market often. When they do, they are quickly snapped up by savvy buyers!

The property itself has a gorgeous low maintenance garden design that will be beautiful year around, summer or winter. Upon entering the home you are greeted by the main living and meals area. This is overlooked by the gorgeous kitchen which features stone bench tops and high quality stainless steel appliances.

The living area spills out into the courtyard which is perfect for entertaining or just relaxing with a hot or cold drink.

The property features high quality tiling through out, air conditioning, heating and remote garage. The two very good sized bedrooms also have ample storage space and plenty of room for king sized beds and bedside tables. The bathroom of the home features something rarely seen in townhouses, a full sized bath.

There is NO body corporate for this property!
