"LOOK" NO BODY CORPORATE FEES SAVE \$\$\$\$ EVERY YEAR, GOOD AS NEW.
Good quality semi-detached houses are very hard to find especially in a great location, however if you do find one they are usually very small and not homely. This property is just over 215m2 under roof making it bigger than many houses in the area who are seeking considerably more money for them. With NO body corp fees (which will save thousands of dollars) its not hard to see why these town houses are a sound investment with the previous rent at \$450 PW for this unit.

It is with pleasure we are able to offer you what we would consider to be one of the best examples of a quality built town houses in this area and they were only built in 2017. This near new end property is part of a triplex construction and you will be pleasantly surprised at how spacious and amount off storage they have due to well designed layouts.
This property is only walking distance to the award winning North Lakes Sports Club.
