AFFORDABLE & STUNNING!!!

An Easy Style For Easy Living

Here is a great opportunity to live in one of the most owner friendly Over 50's complexes around. The low Body Corporate fees and many activities, which include - indoor bowls, bingo, card games, croquet, gardening options, library, 25 meter pool, 4.30 drinks with friends and a regular bus at the front gate say that.

The North facing unit itself has been extensively modernised, has its own study nook, is security screened, plus has its own undercover parking.

On the market due to an unexpected lifestyle change, my owners instructions are clear, sell sooner rather than later.
