We have kept this one of the best display homes for last. Floating timber floors grace the living area, dining spaces and hallway of this spacious open plan interior which is well illuminated by the uncluttered light that filters through. Be presented with the efficiency of a chef's kitchen with the sumptuous stone benchtops and trendy stainless-steel appliances complemented with the extra feature of ample cupboard space. The two double bedrooms, separated from the main living area, offer the privacy and comfort you seek with plush carpets and mirrored built-in wardrobes. Feel instantly refreshed as you step into the ultra-modern bathroom complete with a full-size bath and rain shower.

The private balcony with space for outdoor seating presents itself for your leisure - may it be to enjoy the spectacular views of the Ringwood landscape or to gather your friends for a BBQ. The convenience of making this apartment yours is complete with a well-hidden and considerably large European-style laundry, a secure single underground parking facility and a private storage unit. With internal lift access to all floors and the entire complex being disability friendly no restrictions are placed on your accessibility.
