BUILDING YOUR DREAM HOME ON THIS BLOCK

20K Wa Building incentive + 10K (FHOG)

This is a rare opportunity to build your dream home on this extra-large 657m² block in the very popular St Andrews estate. Plans have already been created for a massive ultra-luxurious 5 bedroom, 3 bathroom home spanning over 640m² (which I can send to you). You can also amend the plans to your individual needs, the luxury of building your home.

With very high demand in the area and currently no other block available, you will have to act quick to secure this opportunity.
