PRIME POSITION IN A QUIET CUL-DE-SAC IN WELLINGTON POINT

You will love this four bedroom Fiteni home with two bathrooms in this extremely quiet area.

All locals know that Fiteni has been building excellent quality homes in the Redlands for over 40 years.

Feel the open plan living from the minute you walk in. The spacious lounge flows beautifully to the dining area.

The kitchen is large with lots of cupboards and bench space so it is ideal for a family that loves home cooked meals. If you have small children you will be able to see the kids or grand kids play happily in the family room that has been positioned off the kitchen. The family room is also an ideal space for a second TV if you don't want to watch the same show as your partner.

All the bedrooms have built in wardrobes and there are loads of cupboards throughout the house making storage extremely easy.

The separate laundry has also been positioned to make doing the washing a breeze.

Large double garage that can also accommodate more storage if you require it.

Now a days it is hard to find a large yard so you will just fall in love with this fenced 748m2 block . The kids will be able to race around in the backyard with a ball and you will be able to sit down and relax and enjoy a cool drink.

Wellington Point Village is just a short stroll away so you will be able to enjoy all the restaurants and shops. If you work in town the train is just down the road.

The kids are also walking distance to Wellington Point Primary and High School, Redlands Collage, Mary MacKillop and Ormiston College.
