Providing options for a large family or an income producing investment, this home has six bedrooms over two levels! Upstairs features three good size bedrooms and one large family bathroom. The recently updated kitchen is full of natural light and the high raked ceilings create a spacious feeling.

Downstairs through a private entrance you will find a fully approved 3 bedroom unit. With its own kitchen, bathroom and parking space, there is potential here for the extended family, a teenager retreat, a rental unit or even a home business!

This tidy highest property is in a convenient location on a quiet street with no rear neighbours. Sit out on your balcony or large undercover patio and enjoy the peaceful bush views directly behind.
