There is a fully lined and powered 4 bay garage, 3 bays enclosed and 1 bay open for the toys and the man of the house. Relax in those hot summer days in the resort style inground saltwater swimming pool with spa or chill at the bar under the gazebo (granite top) whilst cooking the BBQ or stoking the fire pit. If you have dogs, the property has an invisible fence or perimeter cable which ensures safety for the wildlife as well. There is a sealed bitumen driveway that goes all the way to the 2 homes and garage, extensive landscaped natural feature rock retaining walls and pathways, ample room for the kids to run around or ride their bikes and within walking distance to the Country Craft Store and Tea room, The Leap hotel, community oval and Sapphire gallery. This property also has the added convenience of town water plus 22,000Lt of Rainwater. There is still plenty of cleared land on the property with a second entry point to build a BIG shed if you wanted to.
