## OCTAGONAL HOME AMONG THE GUM TREES- RAVENSHOE.

Want a home among the Gum Trees!

Nestled in the rainforest side of lovely Ravenshoe, well away from the hustle-bustle of everyday life, you will find a beautifully constructed octagonal home.

It has a nice balcony that you can relax on that overlooks the bushland, this property is perfect for the family. Offers 3 bedrooms, and open plan living / kitchen space which is the heart of the home. The exposed timber beams gives a nice contrast with the white walls.

The living area has slow combustion heater, and the kitchen offers a gourmet combustion stove and an electric oven, allows double cooking and double heating in those cold winter days.

If your looking for a small retreat to come home too in the hills of Ravenshoe then put this on on your shortlist and give me a call to view. It really is very welcoming.
