

FOR SALE

ARCHITECTURALLY DESIGNED, 7 YEAR OLD CONTEMPORARY HOME WITH AMAZING VIEWS.

Architecturally designed by a local builder, this Contemporary 7 year old home exudes a timeless quality and elegance in both style and design. Sitting pride of place on this 815m2 block, the home has been designed to capture the amazing views of the Northern Gold Coast and Stradbroke Island to the scenic mountain landscape. The seamless flow of the home is attributed to the many different decks which can be accessed from every part of the home.

No expense has been spared as you are greeted upon entry with 6m high ceilings and the Grand Kwila and Satin ash polished timber staircase leading up to the open plan kitchen, living and dining area.

Large windows draw in light and breeze, polished timber flooring, high ceilings, quality fittings throughout, clean lines and natural tones all compliment each other and will impress the most fastidious buyer.
