

2 STIRLING DRIVE, WILTON, NSW, 2571

SOLD

ONE OF BINGARA GORGE'S FINEST

A rare opportunity to secure your dream home has presented itself to the market. Welcome to number 2 Stirling Dr, Wilton. This unique family abode has been custom built to perfection, every detail has been meticulously pieced together with the highest of standards cleverly maximising its use of space to encompass a modern family lifestyle with comfort and practicality. The aesthetics of the home are naturally appealing and welcoming, showcasing a wealth of opulence and sophistication spread over an impressive floor plan.

Upon entering, an immediate sense of grandeur greets you as you marvel at the beauty that surrounds you. Wide open hallways and a vibrant colour palette carry you effortlessly from room to room, the heated flooring is a charming touch as you envy an array of premium quality inclusions at every turn.

The multiple living quarters are spread conveniently across the home allowing each family member their own comfort space but also providing room to come together as a family. The open plan family and dining room is complemented by an open gas fireplace, a perfect spot for those chilly winter nights.

The kitchen has been tastefully designed with exquisite detail and luxury modern comforts you could only expect from a home of this calibre. Equipped with superb appliances of the highest quality and premium fixtures and fittings accompanied with a butlers pantry makes any cooking experience an absolute joy. Consisting of Smeg appliances such as a built in microwave, water filtration system, plate warmer, gourmet double door 1500mm chefs oven, gas cooktop, second oven, second gas cooktop, ample cupboard & bench space & a breakfast bar overlooking the family room.

Boasting five generously proportioned bedrooms, all perfectly positioned throughout the home and include built in robes. The guest room includes its own ensuite and walk-in robe. The oversized master suite is a luxury one could only imagine, entering through french doors it includes a walk in robe, spacious ensuite and access to the backyard. For those who love to work from home while spending time with the family, the home office is designed to make work and family life run seamlessly hand in hand together.

A total of three bathrooms are located throughout, all with the same exquisite features including floor to ceiling tiling, frameless showers, waterfall showerheads, bright & vibrant tones that fit
