

**SOLD**

**SOLD!!!**

Why building when you can buy this beautifully presented home for a bargain price? You will be pleasantly surprised by the finishes and the size of this great property. High ceilings, reverse cycle air conditioning, quality timber flooring, amazing modern kitchen with granite benches and plenty of cupboard space overlooking large open plan living and dining areas. To the front the property boasts a portico, large living area and an extra large double garage with workshop. Very roomy alfresco area offers plenty of space for the outdoor entertaining. Most of the outdoor area is paved for easy maintenance. All bedrooms are very generous in size, all have either walk-in or built-in wardrobes. The property is very well maintained. Just move in or rent it out. Recommended rental price is \$430 per week. The sellers are happy to look at Rent-to Buy option if you are not quite ready to buy just yet.
