MASSIVE SUB-DIVIDED BLOCK IN CONVENIENT LOCATION

The three-bedroom home sits on a 810m² block that has already been sub-divided, giving you the option to start fresh and build two houses or just simply enjoy life in the existing home with loads of space.

The home features a large air-conditioned lounge room, separate dining room, and best of all a large north facing covered outdoor entertaining area. The spacious master bedroom is air-conditioned, has built-in-wardrobes and a lovely bay window to allow the natural light to flow in. The other two bedrooms are decent-sized and are perfect for children or guests.

Flowing from the timber decked outdoor entertaining area is a beautifully maintained garden with plenty of room for children or pets to play. Also outside is a two-car garage as well as carport.
