1 ACRE IN THE HEART OF GYMPIE

One acre of low level ground that would suit an avid gardener. With the house in one corner of the block there is plenty of room for outdoor pursuits. Walking distance to schools and shops. The house is 3 bedrooms with a large entertaining room that overlooks the property. It does need renovating, but it would be a great property to start with or ideal investment property while the interest rates are so low. Please note this property is currently tenanted and we are required to give 24 hours notice for any inspections.
