Here is a fabulous opportunity for you to have a home in the Sandgate area at a very affordable price. This unit is located in Deagon Village, and it has everything you need to make it a comfortable home. The unit is now vacant, so you could move in as soon as it settles! It is in a very good condition, and has recently been renovated throughout – freshly painted, new carpets and kitchen vinyl, new double blockout and sheer curtains recently fitted on all windows and sliding door, and an upgraded bathroom/laundry. It has an excellent position in the complex. It also has good access as it is quite close to the front entry, but in a quiet side position and with an adjoining garden area.

The unit has the following features:

1. It is low set and has a good entry, with resident car parking close by
 2. This is one of the units that has a slightly large floor area than most
 3. Open plan living area – with the benefit of an extra sliding door leading out to the private side pathway. This gives good cross ventilation to the unit plus room for a ramp

 5. Double bedroom with built-in double mirror wardrobe
 6. Bathroom – large open shower, vanity and toilet.
 7. Laundry – this is in the bathroom area – single laundry tub, taps, and room for a washing machine (dryer to go on the wall should you require one)
 8. Extra features include – security screens on all doors and windows, fan/light combinations in both the living and the bedroom, split system air conditioner, and an instantaneous gas hot water system.
 9. There is also a lovely outside private courtyard which part of the unit and is fenced. It has a fold-up washing line, plus a pathway along the side of the unit giving extra usable space
- The complex has lovely lawns and gardens with mature trees and flower beds, and a walk way runs through the Village leading down to the Community Clubhouse. Here there are meals available at lunchtime (optional), plus in normal circumstances a range of activities and social events are held. There is also a book and CD library, TV plus a range of other activities should you wish to take advantage of them.
