At 6 Lee Street you will enjoy regular afternoon drinks relaxing, watching the sunset, and forgetting the day's problems whilst you realise you have found a place you can finally call home.

Mountain views are commonplace from the kitchen, living and dining room. All this is angled away from other properties giving you a truly private escape.

The self-contained granny flat will give you multiple opportunities to host guests, teenagers and elderly relatives whilst giving them their own space and independence.

Tightly held for 14 years, this family home is ready for the next long stay and the moment you walk inside you can see why they stayed so long.
