RARE BEACH-SIDE VACANT LAND

668m2 of beach-side land
Direct access to Fort Beach
Quiet cul-de-sac location
Zoned "Village" under Clarence planning scheme

Blessington Street at South Arm follows the waters edge with its beautiful sunny beaches on the River Derwent.

"There are very few vacant blocks left on this sort-after street," said Steven Richardson, the property representative with @realty.

"Especially on the water side of the street with direct access to the beaches," he said.

The area is popular with permanent and holiday residents. It's close enough to Greater Hobart to commute, but far enough away to feel private and secluded.

"It's truly a beach-side lifestyle that you can enjoy year round, within easy driving distance of the Hobart CBD," said Steve.

The land is zoned "Village" under the Clarence Municipality planning scheme. Development of the site would be subject to approval by council.

"If your dream is to build a residence or holiday home beside the beach, then here's a chance to turn that dream into reality," said Steve.

Inspections are available by appointment or Steve will be on site at the advertised times to assist with more details and information.
