LOW MAINTENANCE HOME IN GREAT LOCATION

Rare opportunity which will appeal to investors and owner occupiers.

The current tenant is paying \$495 per week until 8th January 2021 but is open to discussions if an owner occupier would like to buy and move in.

Light filled and spacious both upstairs and downstairs, this trendy and modern townhouse is the ideal downsizer or first home.

Entertaining here is a dream with side access, fully enclosed and private yard and tranquil rock wall for privacy and shade.

Low maintenance and easy care for people with a busy lifestyle but who are not wanting to compromise on quality, position and potential and priced to sell.

Featuring a generous sized master to rival any executive style family home with its own private balcony and ensuite bathroom.

The two other double bedrooms have built in robes, ceiling fans and are family friendly.

River Springs Country Club is a unique resort lifestyle with an amazing community and a wide range of amenities on offer including tropical pool, gym, newly renovated steam room and sauna, tennis court, bbq area and function room.
