ABSOLUTELY STUNNING

My compliments to the seller, this property is superb!

On a generous, elevated 833 m2 block, this property has an abundance of room for the kids to run wild, or even for a pool. Making perfect use of the solid original construction to create that inviting comfort you desire. Positioned in a Cul-De Sac close to a nature reserve, school and minutes from the major shopping center, this property has lots to offer.

For the handyman, there is a double auto lockup shed plus a Caravan or Boat port plus lockup garage.

Neat as a pin, manicured landscaped, internal access from the garage leads to open living and lounge.

A Large master bedroom with a two-way bathroom, dining and large outdoor entertainment gives you all the privacy you are looking for.
