PICTURESQUE AND PRIVATE

Escape the world on this amazing property. 51.4 acres (20.84ha) of flat to gently sloping country. Tagigan Creek traverses the property, giving you cleared fertile creek flats at the front of the property planted to improved and native pastures.

Extremely private forested area. Species include: Brush Box, Bloodwood, Yellow Stringy and Ironbark plus Blue, Grey and Spotted Gum.

The good sized dam is lined with Callistemon trees giving you a great privacy screen from the bitumen road for the home site which overlooks this lovely property. Electricity is already available.

This property is situated in a friendly neighbourhood approximately 25 minutes east of Gympie and approximately 1 hour from Noosa or Rainbow Beach. Great for the hobby farmer, holiday cabins or just a private place to live. Give me a call an check out this unusual property.
