LOCATION PLUS

This quality home was built by master builder Phil Anstey approximately 20 years ago. The home has been designed with a flexible floor plan which allows the home to be used in multiple ways. Featuring timber floors throughout and high ceilings, there are two living areas, one which can be used as a fourth bedroom, rumpus room or home office with its own access. There are three other bedrooms including a large master bedroom with ensuite bathroom and walk-in robe. The home has been recently painted, the floors have been sanded and polished and the carpet is only 7 months old. A spacious north-eastern facing timber deck captures the sun all day and provides an elevated place to view the hills surrounding Bangalow. Surrounded by mature trees, the garden is private and generous at 731sqm. There is a secure storeroom situated under the house. This property is super cute, in a fabulous location amongst quality homes and is a short, flat walk to the showgrounds and Bangalow's main street.
