SO MUCH FOR SO LITTLE. UNBELIEVABLE

There is more here than meets the eye. The photos only tell part of the story.

There is a real community spirit here where owners look out for each other while still maintaining their independence. The pride in this complex is evident the minute you drive through the front gate.

This wonderful home on offer features a spacious eat in kitchen with gas cooktop, electric oven, wide fridge space and plenty of room for dining. Generous air conditioned living leading onto the north facing front deck, will see you enjoying a nice cup of tea and the warmth of this very comfortable home.

The home has ceiling fans, carpeted bedrooms with expansive built in wardrobes, security screens and the added privacy of external awnings ensures your comfort and security are paramount. The benefit of natural gas is also supplied to the home for cooking, hot water and even has a gas heating connection in the living room.

The rear yard is a large blank canvas. The choice is yours, design a garden, put in a shed, it is big enough for family gatherings or a quiet sit in the sun. The drive through remote garage is an added bonus allowing access for a trailer or boat. For your convenience there is a storage shed and water tank.

The gated complex is all owner occupied where quiet enjoyment of your new home is assured.

Lifestyle activities available in the Redbank Palms village include
