COMFY & SAFE LIVING

This superb 3 bed (all have built in robes) villa is as neat as a pin and in a very neighbourly complex. The semi ensuite has a separate bath and shower in neutral colours, the kitchen has gas hotplates and an electric oven plus plenty of bench space and the dining area comfortably fits a six seater dining suite with room for all. The lounge has a split system air conditioner and for the security conscious, there is also an alarm system. The sunny courtyard is a good size for entertaining and has nice raised garden beds to add that bit of colour. The hot water system is gas storage, the entry has a lovely leadlight feature and Figtree Park is a short stroll down the road. But the bonus with this villa, and a bit of a rarity, is a single garage with auto door PLUS a second carbay which is a very attractive addition to this overall gem of a property.
