A SUMMER GETAWAY

Breathe in the sensual ocean air, swim, fish, boat, sail, bush walk, bird-watch or just kick back and relax. This is why so many people escape to Primrose Sands every chance they get!

Set on a 711 m² allotment, a huge 12m x 10m shed has recently been erected, complete with driveway, landscaping, under ground power, a 10,000 litre tank and pump. Building another dwelling and the front of the block or transforming the current shed into a residence would be subject to council approval and buyers will need to make their own enquiries.

With a sunny outlook and views out to Gypsy Bay, the shed offers a glamping getaway, where you can "lock up and leave" the boat, caravan and kitchen sink, without the hassle of packing up multiple vehicles and towing trailers every time you want to get away for some rest and relaxation.

Bring the boat, the kids and the dog.....call now as properties in Primrose Sands are getting snapped up quickly!
