Beautifully presented, this stunning home offers open plan living at its best. The larger of the two living areas overlooks the outdoor entertaining areas, plus offers a wood burning fireplace.

Outdoor entertaining areas are many with a beautiful large covered entertaining area off the family room, a second private and covered outdoor sitting area and a Zen like low maintenance garden at the rear and overlooked by the master suite. Let this home embrace you.

The super-king master bedroom has an ensuite and ample walk in closet. All bedrooms have built in closets

The large family style kitchen offers electric cooking, a breakfast bar and granite countertops and space for a large fridge.

The sizeable bedrooms have fans to augment the air conditioning units in the master and the family rooms. With solar panels your costs are kept to a minimum. Also, the auto double car garage has internal access.

Overall this property is:

- Located in a boutique section of a well-managed gated complex.
- Four generous-sized bedrooms
- Solar electric
- Two covered patios plus Zen garden
- Large open kitchen with 98.5 fridge space
- Open plan living and dining
- Well-manicured, low maintenance landscaping
- Internal entry from double garage with storage
