IMMACULATE HOME IN QUIET CUL-DE-SAC

Tucked at the end of a quiet cul-de-sac, behind a stately fence with an electric gate, sits this inviting 3-bedroom, 2-bathroom home. Much-loved, the care that's gone into this home is evident at every turn.

Beautifully presented, this home is move-in ready, and with reverse cycle air conditioning, tiled living areas and low maintenance yards, it calls for easy living. The updated, crisp white kitchen flows onto the living and meals areas, which in turn opens out to the backyard and the covered patio. The Master bedroom is air conditioned, has an en suite and built in robes, and the other bedrooms also have built in robes.

Situated on a 633m² fully fenced, secure block you will find plenty of space to make your mark. The front yard has enough room for an additional carport/garage if you wish to convert the garage (that's under the main roof) into additional living or a 4th bedroom. The backyard also has side access making it even easier to add a pool down the track.
