264 RIVER ROAD, MILLSTREAM, QLD, 4888

SOLD

WANTING RIVER FRONTAGE, WITH BEAUTIFUL WATERFRONT VIEWS- 120 ACRES OF LAND WITH WEEKENDER- NORTH MILLSTREAM

Don't miss this land- 120 Acres with Millstream River Frontage in North Millstream Estate.

120 acres offering a donga/weekender with a large steel-framed deck that overlooks the Millstream River. The Millstream river is one of the permanent waterways in the area. The donga needs some work to be used as a weekender, it needs water or a water tank off the roof and a pump to pump from the river.
It also needs a power source, you can go off-grid if you like; however, there is a previous trench that was dug out for the use of underground powerlines, it has been some years so may need a little scrape out, but the work has been done.
The property is partially fenced and has an array of native grass. You can have some cattle, horses or goats.
There is a cleared area that can be used as a house site waiting for you to build your dream home, this is next to the donga, although if you walk along the banks of the river, you will find some other neat areas to build, which have some lovely views of small waterfalls down in the water.
Access to the Millstream River is easy enough, but a track can be established so you could quad bike it down, it is not far, the swimming and fishing are great options on your days off.
This property has high voltage powerlines that run through the middle of the property; however when you are down by the river, you can not see the lines very much, you are consumed only by the amazing sounds of the rumbling fresh water and the scent of nature. It is truthfully a scenic spot.

1 BED | 1 BATH | 0 CAR
