ISLAND HOME

This cottage by the sea could be your perfect Sea Change lifestyle. A three-bedroom home with hardwood floors in an excellent location, minutes from the beach. The bathroom has been renovated and a large rear deck has been added.

The land is gently sloping to the road with the house sitting on the highest part of the property which gives the best breezes and views. Home is on stumps and can be raised to create better views while giving an extra level of living or for parking and storage. Currently let for \$250 per week, and tenants would be happy to stay on.

Macleay Island offers a relaxed, friendly lifestyle, a world away but only 35 minutes to Brisbane by car ferry and 20 minutes by water taxi.
