Located in an elevated position in Venus Bay with it's stunning beaches and traditional beach town vibe, this large family home has a lot to offer the astute buyer. Designed to capitalize on those views, the large open plan living and dining area leads out onto a huge entertainers deck, as do two of the large master bedrooms on the second floor where you can enjoy a glass of wine from your own private balcony and take in the forever views.

Upon entry you are greeted by beautiful carpentry and polished hardwood floors, it's then you then notice the high ceilings and mezzanine floor which pull your gaze out to the views beyond. Chefs will love the large well equipped kitchen complete with butlers pantry and a very instagramable outlook from the kitchen sink!

The second floor really has to be seen to be appreciated. Two huge master suites with their own private balconies are linked by a gallery that looks down over the main living area and are joined by a large home office, which could easily be used a 6th bedroom should you require the extra space for friends or extended family as you are bound to have lots of visitors if you are lucky enough to live here!

The 1699sqm block features plenty of water tanks and is also home to an American style three door barn which could be used as a man cave / teenage retreat or storage for an extra three vehicles to compliment the garage on the main residence.

Early inspection is recommended.
