BANGALOW JEWEL

Character home - tick, large 809sqm block - tick, privacy - tick, outlook - tick, easy walk into village - tick, premier street and location - tick. I love these types of properties...the ones where you mentally tick all the boxes as you wander through. There is no doubt this is a special Bangalow home. Lovingly owned for 18 years by one of Bangalow's most popular residents, the home is well known for hosting many social functions and gatherings over the years. Boasting beautiful gardens and a sprawling lawn off the huge back verandah, extending into the reserve and creek behind, there is also a pleasant view, framed by mature trees, including a prized jacaranda, and other flowering plants. The home itself, thought to have been built around 1914, features soaring ornate ceilings and original 1940's lightshades. It really is like stepping back in time with so much character throughout. The home has been modernised in recent years to take advantage of the north-west aspect with a redesign of the internal layout allowing for two large bedrooms with their own ensuite bathrooms, flowing through to an open plan living/kitchen area with wide, bi-fold doors opening out to the spacious covered verandah. This is the ideal place to be to enjoy the abundant birdlife and the gorgeous outlook across the stunning garden. And when you're ready for some Bangalow village buzz, it's just a short hop, skip and jump and you are in Bangalow's main street!
