HOT INVESTMENT BY THE BEACH

Here is a perfect opportunity to secure an investment just one street back from the beach, at an incredible price. This older style 2 bedroom property has just become survey-strata titled which allows the property to sit on 333m2. With jarrah floor boards and a refurbished kitchen, the property is ready to be rented or lived in by the owner ready for the coming Summer. The potential to this property is massive and with the new survey-strata, you are almost buying the property at land value only. Contact Exclusive Agent Jason Gard for an inspection and more details.
