Perched at the top of the street, 2 Stapleton features cool vibes and stunning views leaving you and your guests feeling immediately at home.

Stone benchtops and stainless splashback complement a functional and modern kitchen, with chest-high oven for easy baking and deep pantry for all those extra exotic ingredients.

Lounge, dining and living each have a unique flow unlike the standard designed homes we see every day.

The entertainer's deck is the feature and focal point, imagine holiday style sunset drinks every day, with 2 Stapleton Close there will be no off switch as the view is stunning even if it is raining.

Tinted windows for keeping the summer heat out, solar hot water and solar panels raise the efficiency level to a point that is expected in most homes today.

Close to all Redlynch has to offer, bike tracks, walking paths, swimming holes and much more
