VILLA OASIS - SUCH A SURPRISE HOME WITH MODERN DECOR AND HIGH RAKED CEILINGS - THIS HOME IS SURE TO IMPRESS

This 2 bedroom home is a kit home that is built from rough western cedar and is quite different from most. A stylish, modern decor throughout and gorgeous raked ceilings gives the feeling of spaciousness and so much natural light to enjoy.

This home has 2 bedrooms - both with built in wardrobes and one with ceiling fan. The master bedroom is also air conditioned. Plenty of room for side tables and chest of drawers and positioned in close proximity to the modern bathroom with large shower and only one glass panel to be cleaned ! Such an easy home to maintain.

What a great entertaining home this is as there is a welcoming east facing deck at front, high raked ceilings when you step inside the spacious open plan lounge and dining area. The kitchen is so well equipped and stylish and it does have a dishwasher, electric oven and ceramic cooktop and rangehood. The perfect place to create your culinary masterpieces and visitor friendly for easy conversations as the kitchen is easy access to the dining area. The laundry is large and provides access to the carport. This home does have a security system .

If you enjoy Caravan ownership then this home has the perfect carport to cater for it - it was built especially for the present owners caravan. They are now using the space for their larger undercover entertainment area for friends and family - enjoy many a bbq and quiet drinks here at your leisure and pleasure.

For the gardener of the family this is the perfect oasis setup with plenty of natural bushland that provides good privacy and peaceful surrounds. The home is positioned on a rise and so does enjoy great breezes through the home. Everything about this home exudes attention to detail and quality so I do urge to to phone me, Susan, and arrange for your own private inspection at a time that suits your busy schedule.

This is definitely something special and worthy of consideration. The owners have somewhere else to go and so will consider all genuine offers.

2 BED | 1 BATH | 2 CAR

PRICE:
\$275,000
