Walking through the large front entry door you walk into a family room, ideal for TV or quiet reading away from the central family area. From here you enter the formal living/dining area that is open-plan with the kitchen which flows out onto the undercover, tiled patio.

The kitchen has a double sink, a pantry, ample silk finish laminex cabinetry and stone bench tops. Modern appliances, with dishwasher, gas cooking and large island bench. Colour strip lighting also features around the cupboards. The property is air conditioned, tiled and screened throughout and the neutral palette makes it easy to add a splash of Colour with your own furnishings.

There are three double sized bedrooms and a 4th/office. The master bedroom boasts a generous walk in robe, dual showers and vanity basins. Double lockup garage with drive through access and wired for a shed.

The lot is 650m², fully fenced and has a 6.6KW solar system.
