ANOTHER SOLD BY GEOFF TUTT

This spacious family home was built in 2004 on a large 1103 sqm block in a quiet cul-de-sac located not far from the local shopping centre, parks, public transport and the water, an ideal position for families. An added bonus is the side access for a tinny, camper van or trailer and room for a caravan. This property is currently tenanted until the end of March 2021.

The home has four spacious bedrooms, study, two bathrooms, open plan kitchen/family room, lounge room, multi-purpose room, double garage and separate single garage with workshop. The master bedroom has walk-behind wardrobes and double sinks and spa bath to the en-suite with the other three bedrooms having built-in wardrobes.

Outside to the rear of the home through sliding doors is a covered entertainment area overlooking the large back yard and in-ground swimming pool. A great place to entertain family and friends or for the children to play. Look at these additional features:

- Reverse cycle air-conditioning and ceiling fans
- Pantry to kitchen, 5 burner gas stove and wide 90 cm oven
- Garden shed
- 5,000 litre water tank
- Built-in wardrobes to bedrooms
