SPACIOUS WEST MACKAY HOME WITH MULTIPLE LIVING AREAS

Located within very close proximity to Mackay Base Hospital, Medical Centres, Botanical Gardens, CBD and shops is this new to the market, solid brick home. Consisting of 3 bedrooms, office, super size main with nursery or study and sliding glass doors out to the spacious and secure outdoor entertaining area. For the teenage kids or elders, there is a separate lined and airconditioned room with extra toilet and wardrobe. There is an extra large rumpus room that is fantastic for a theatre room, games room or a work from home option,. Not forgetting the man of the home, the good size shed with workshop is powered and ideal for tinkering. The kitchen has ample cupboards, dishwasher and dual fridge space. The main bathroom has a large, walk in shower plus there is an extra shower in the laundry.

The home is serviced with ducted air and split systems and is fully security screened. Still room for a pool or swim spa and the added extra is a double carport to the front of the home. Genuine sellers looking to relocate south and have lived here for 32 years. Call now for your own private inspection. Expected Rental return: \$460 to \$470p/w.
