MUST SELL !!

Perfect is not a word used often, but @realty Ipswich has secured one of possibility the nicest homes in Eastern Heights. Coming into the property is a double carport that has pebblecrete. This home is serviced by street gas for the hot water and cooking.

Commanding position on the corner of Stuart Street, this beautiful home could work for large families or those who are looking after parents. One large house, on the lower level is a two-pac kitchen with Baumatic oven, lounge, dining, bathroom, laundry, two bedrooms with A/C in lounge room you will enjoy on these hot summer days.

Upstairs, you will definitely find the nearly 50m2 deck an inviting addition to the home that has many downlights to provide a great ambiance. Sit back and enjoy dinner with breezes, overlooking the terraced back yard that also has a small garden shed.There is another two-pac kitchen, again with Baumatic oven, lounge, dining, bathroom and two bedrooms with beautiful polished floorboards. The master has a walk in wardrobe you will fall in love with and an ensuite. There is also another full bathroom on the upper level.

To the front of the home, there is an area that could be ideal for a play room for children or study to optimise the great light coming in the windows.
