GREAT BUYING

This three bedroom (all with built in robes) two bathroom villa is great buying in current market conditions. Quite roomy with good outdoor space as well, there is gas cooking and gas hot water, shower and bath in the main bathroom and a gas point in the lounge for your gas heater. There are a few touches needed to make it your special place, but it is certainly well worth your inspection and this can be arranged by contacting Mark Burgess on 0419428095.
