UNIQUE HOME ON A VERY PRIVATE 5 ACRES WITH GOOD WATER.

Welcome to 146 Scotts Lane Runnymede, which is 19 km north east of the thriving South Burnett township of Nanango Qld.
The home is unique in style and make, combining many natural materials of double brick, stone work, and some feature log walls. Built in 1989 and as solid as a rock, this home will appeal to those seeking a versatile acreage property with plenty of water and good fertile soil.
Each of the three bedrooms plus the bathroom step up just one step from the living area. The main bedroom has reverse cycle air con and ceiling fans.
The air conditioned open plan living area with its exposed beams, beautiful open stone fireplace and functional kitchen with gas cooking is a great place to enjoy the outlook over the property.
With front and side verandahs and an extra older style entertainment area, there are plenty of spaces to sit and enjoy outside time.
There is an irrigation system is place which pumps from the very large dam and plenty of good feed if you want to have a few horses or other livestock.
Three tanks suppy 37,800 litres of rainwater and the six panel solar system means you won't have a power bill.
There is a large powered workshop and two carports plus numerous older sheds plus an aviary.
I really enjoyed visiting this property. It has an historial and peaceful feel about it and is in a lovely area of the South Burnett.
