INSPIRED OPPORTUNITY FOR BUSINESS-SAVVY BUYERS

Located in the heart of town, a short walk to the Historic Precinct and with wonderful harbour views, this incredible property is bursting with potential. There are two dwellings, offering the opportunity to mix business with pleasure by operating a B&B or you may want to enjoy a rental income or simply accommodate extended family; the options are boundless.

The original three-bedroom, two-bathroom home was built in the 1880s and is absolutely brimming with character. There is a front lounge and an informal lounge/study with a cosy wood fireplace. A kitchen and dining room is warm and inviting with a gas cooktop, plenty of storage and a breakfast bar for casual dining.

The second home was built in the 1990s to offer a private and comfortable retreat complete with three bedrooms, 2 bathrooms, a kitchenette and a lounge.

Outside, a dual-level alfresco provides the perfect place to relax and soak up the sunshine.
