3 BEDROOM HOME IN THE HEART OF ZILLMERE

This 3 bedroom home is situated on 590m2 block. The house has polished timber floors, high ceilings, good sized bedrooms and plenty of space. This property is a blank canvass with a whole lot of potential.

Due to it's location just 20 minutes from the CBD and 10 minutes from Chermshire Shopping centre, Zillmere has become one of Brisbane's fastest up and coming suburbs. These older, solid homes with renovation potential are in high demand in this area due to the lifestyle they provide and the great opportunities for capital growth.
