LOOKING FOR ABSOLUTE PEACE & TRANQUILLITY - WELL THIS PRIVATE 3,336M2 BLOCK HAS IT ALL - + A BRICK HOME WITH DUAL LIVING POSSIBILITIES - A 'MUST SEE'

One in a while you come across an idyllic setting that absolutely gives you the "WOW" factor - well this property gives you this and more. The home itself comprises in one section - a 3 x 3 garage which has been turned into a room with security sliding doors - which could be a rumpus room/craft room, or the lounge room of a granny flat + a room next to it which could either be a study or form part of the granny flat + a large laundry to which you could easily add a small kitchenette and a toilet. This area has its own entrance, and can be locked off from the rest of the home, so the possibilities are endless!! The second part of the home comprises a separate lounge with a dining area adjacent to the kitchen, and a family room next to the kitchen. This leads to three other bedrooms and a family bathroom, the master being at the end with its own en-suite and robe. The master also has a sliding security door out to the majestic verandah overlooking your own tropical paradise. Other features and benefits include:
