PERFECTION IN RIVER SPRINGS

You will not believe how wonderful this house is.

Everything has been renovated to the highest of standards and it is ready for the new owner to love it as much as the current owner does. Due to a change in circumstances the owner is moving from her immaculate safe haven.

From the moment you walk in you will love the open plan kitchen, dining and lounge area. The kitchen is a dream for the avid chef with lots of cupboards and bench space and the wonderful splash backs make the kitchen pop.

The air-conditioned lounge has a wonderful flow out to the undercover alfresco area where you will be able to entertain you friends or just relax at the end of the week with a cool drink. There is lots of room for the kids in the back and side yard.

All the bedrooms are very spacious and have built in wardrobes and the master has a fully renovated en-suite. The other two bedrooms are serviced by the other renovated bathroom.

So, look no further this is a very rare chance to secure this outstanding home you will be able to just unpack and relax.

The facilities in River Springs Country Club are second to none the amazing pool is bigger than anything I have seen on the coast. If you like to go to Bali or Thailand for rest and relaxation and just can't because of all the restrictions don't worry just living here will give you that resort lifestyle every day.

You can also save money on gym and tennis memberships because you have it all right here.

You will definitely need to be quick to secure this wonderful home.
