Admired by many. That property you've driven past countless times and swore 'If Only...', has come up for sale. This property is in a sought after, prime location with loads of street appeal that has it all, including room for a few horses, a definite cut above the rest.

The endless list of features will leave you wanting for nothing, even before you are captivated by the all pervading French Colonial theme that is consistently displayed throughout this entire home. From the footings to the finishings, the home is light & bright with an excellent flow, a warm, homey vibe & welcoming feel. One of the best on the mountain!
