FANTASTIC HOME WITH HUGE SHED

From the moment you walk in you will see yourself living here.

There are 3 bedrooms and a multi purpose room which is currently being used as a 4th bedroom however this room would also make a wonderful games room or family area.

Most of the hard work has been done. The renovated kitchen has lots of cupboard and bench space that will make cooking for the family a breeze.

The flooring is very easy to maintain and keep clean and makes the home have a very open plan feel. Your new home has been recently painted and the bathroom cupboard replaced so there are just a few tiles to change in the bathroom and you will have the home of your dreams.

There is a huge shed in the backyard so you can use it as a lock up garage or for storage.

So if you want to have a wonderful home that is walking distance to the train, restaurants and shops call Julie O'Callaghan today to organise your inspection.
