QUEEN OF THE HILL

High and dry at the top of the hill with exquisite views to Wollumbin and "the sisters" sits this refurbished 3 bed open plan home which is solidly constructed and very private with ample room for your veggie gardens and the already established fruit trees. The main living area is large and airy with high ceilings and exposed beams. Your undercover verandah beckons where you can relax, take in the views and listen to the sounds of nature around you.

Properties don't come onto the market in Uki very often so you will need to be quick to secure this little gem.

Ideally positioned to take in all that the iconic village of Uki has to offer with its bustling arts scene and uniquely alternative vibe you will be able to wander down the hill into the village for your morning coffee or a bite to eat. The weekly farmers markets and monthly butchery markets are also an easy walk.

Don't delay...book your inspection today or come along to one of our scheduled open homes.
