And across the western boundary of this block is the Toowoomba tree farms.. Only one neighbour situated on the topside. Acres of land to enjoy at your back door of the beautifully landscaped Alex Horn Park. The home is set in a very private easy care garden which has two inviting shady sitting areas. The owner has recently renovated the home, repainted interior and exterior, new disability bathroom, guttering and gutter guards on the roof, installed a large rainwater tank with a new Reeve pressure pump, and a recently installed large 6.6Kw.solar system. Low power bills and the rain water tank supplies excess water for the garden and home. The original garage has been converted into an extra living area but can be converted easily back to a garage . The beautiful inviting landscaped garden offers atmospheric private sitting areas where one can relax and enjoy the lovely green surroundings. The welcoming sign on the gate says "The Secret Garden" and this is what it is ! The garden can grow many varieties of plants due to the rich red volcanic soil.

One cannot go wrong with this investment. Close to the schools and only a few minutes drive to the city center. Toowoomba is booming and there is currently a huge shortage of rentals.
