703 DUCKPOND ROAD, GIN GIN, QLD, 4671

SOLD

HIDDEN ESCAPE

Escape to this retreat style home hidden away on a 30 acre property located in the Bundaberg region.
With plenty of room to immerse yourself in nature, this property features three dams connected by walkways, bush gardens complete with irrigation watering systems and two timber decks overlooking the mountain ranges.
Absolute bliss!
The beautifully designed three bedroom home has a kitchen to satisfy the cooking enthusiast including a dual oven, separate gas cook top, dishwasher and huge walk in corner pantry. It also has two stunning bathrooms, with the ensuite containing a bathtub looking out onto the private garden.
Be one with nature whilst in the comfort of your own home!
The living area has uniquely designed cathedral ceilings with tiles throughout, and an industrial air conditioner and wood fire place surrounded by large glass doors, windows and mirrors bouncing light and views from every angle.
With NBN satellite internet and mobile phone coverage you wont feel completely isolated whilst being far enough away from civilisation. And rainwater a plenty with three large tanks.
You wont need to go anywhere!
The property also features a large Colorbond shed, two car parks with loft and a lean-to for the precious Winnebago.
Host guests with their own separate, self-contained bush chateau (unfinished), perfect for B & B and Retreats.
Only *24.7km from the regional town of Gin Gin (fully serviced town) and *42km from the small settlement of Mount Perry.
*approximately
* Would be the most ideal property for a home based business. Escape the rat race and enjoy the tranquillity of this property.

This property is so unique it will be hard to find another to compare. Easy & self managed, just pack up and travel. Inspections are a must to truly appreciate what this tranquil hideaway retreat has to offer.
