NOTHING TO DO BUT MOVE ON IN

What a great first home or investment property. This low maintenance four-bedroom family home is fully tiled and air-conditioned throughout for those summer months. Three bedrooms have built-ins and the main boasts a walk-in robe and ensuite. The centrally located kitchen has a large walk-in pantry, stone benchtop, breakfast bar and stainless-steel appliances including dishwasher.
As you move out through the sliding doors to the back yard there is a few things that really catch your eye. Firstly, there is an exceptionally large patio, so there is plenty of space for entertaining and for putting in an outdoor kitchen if you wish.
And because it is a good size corner block there is plenty of room for the kids to play in the yard and more space for a shed with two double gate access.
There is nothing to do but move on in. It is well worth looking at so book your inspection today.
